As a possible way of making money it has been brought up by Ed Springer a couple of years ago that the Ladies could start a recipe book. This will have to be discussed at the next reunion in Orlando in '08. It would take all our ladies submitting one or two of their GREAT recipes and when there were enough a book could be printed and sold. Even if it was just within our organization the potential is there to make money.

Thanks to Tim this is growing. If someone you know is interested in the association, please make sure they are aware of our website. This is our best way of advertising.

USS Jouett DLG/CG 29 Reunion 2006

I would like to first thank everyone who attended this Reunion. Jim, Doc, and Dick did an excellent job in getting us fun things to do and see while we stayed in San Diego. The real party was in the Hospital room with Rick Smith, Jim Jordon, Herman Touchet just to name a few oh sorry Ray Fair can't forget you and good old Milton Vicknair who kept us laughing all through dinner. The USS Midway tour was a great start to this reunion as a lot of us toured the ship and remembered our time about the Jolly "J". For some the trolley tour around town all the way up to the Air show at MCAS Miramar was another great adventure. If you get on the home page and click on the tab that says photo's you can click on the pictures taken by others and shared from the past reunions. I would like to thank Tim Kane who has been working on our wonderful web site.

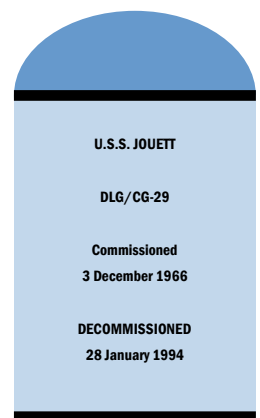

News and Information

I will be seeking the help of everyone with getting me information on what is happening out there... I would like everyone to send birthday and anniversaries dates so I can put those announcements in each months letter.

If everyone will check the roster on the website to make sure that your information is correct, if not please email either Herman Touchet or Jim Jordan with the corrections.
