### A MESSAGE FROM THE CHIEF OF NAVAL OPERATIONS

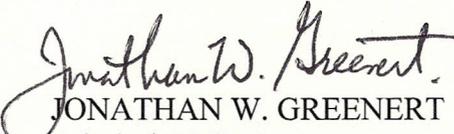

On behalf of the men and women of the United States Navy, it is with great pride that I extend my congratulations to the crew of USS JOUETT (DLG/CG-29).

USS JOUETT boasts a lasting legacy of outstanding service. From combat operations in Vietnam, to her final deployment during Operation DESERT STORM, USS JOUETT and her crew were vital to key strategic naval operations.

As you celebrate the legacy of USS JOUETT and the members who selflessly served our Country, I extend my personal thanks to each and every one of you for your dedicated service. Your legacy and continued support have helped shape our Navy into the world's finest. Only by remembering where we have been can we truly move forward.

Again, congratulations and best wishes for a memorable celebration.

Sincerely,
