As a possible way of making money it was brought up by Ed Springer that the Ladies could start a recipe book. This will have to be discussed at the next reunion and has potential in the future. It would take all our ladies submitting one or two of their GREAT recipes and when there were enough a book could be printed and sold. Even if it was just within our organization the potential is there to make money.

Thanks to Tim this is growing. If someone you know is interested in the association, please make sure they are aware of our website. This is our best way of advertising.

Hunting Trip

Boudreaux, Thibodaux, Gautreaux and Pierre all went on a hunting trip. They only had two tents and no one wanted to sleep with Boudreaux because he snored so loudly. The others decided that to be fair they would rotate who had to sleep with Boudreaux. Pierre had to sleep with him first, and he stepped out of the tent next morning grumpy, with bloodshot eyes, and his hair a mess. The rest say "Man you look turibble". He replied, "Man that Boudreaux snore so loud, I couldn't sleep a wink....I just watch him all night long" The next night was Thibodaux's turn. Same thing next morning, Thibodaux all grumpy with blood shot eyes. They all say " Man Thibodaux, you look like a train hit you". Thibodaux say, "Yeah, from the noise you da thought there was a train was in my tent. All I could do was watch Boudreaux snore all night long." Third night was Gautreaux's turn. Next morning he come to breakfast bright eyed and bushy tailed, happy and whistling, and said "Good morning all". They can't believe it. They say "How da hell did you get sleep with all dat snoring?" Gautreaux say, "Well Boudreaux and I get ready for bed and I reach over and kiss him on the cheek and pat his ass and said "Good night sweetpants".....and Boudreaux stay up and watch me all night.

Red Neck Vacation

Billy Bob and Luther were talking one afternoon when Billy Bob tells Luther, "Ya know, I reckon I'm 'bout ready for a vacation. Only this year I'm gonna do it a little different. The last few years, I took your advice about where to go. Three years ago you said to go to Hawaii. I went to Hawaii and Earlene got pregnant. Then two years ago, you told me to go to the Bahamas, and Earlene got pregnant again. Last year you suggested Tahiti and darned if Earlene didn't get pregnant again." Luther asks Billy Bob, "So, what you gonna do this year that's different?" Billy Bob says, "This year I'm taking Earlene with me."

Dear Shipmates:
