REMARKS

00-04 The start of the New Year - Our first in Commission,
The USS Jawett awaits her mission.
Moored starboard side to Pier 5 with "Charles"
enjoying the pleasures of the "Season & so jolly."
Standard morning hours are shuffled,
the sea is antipathetic.
The Holichys are sailing - There is work to be done,
Here at PERS, Bremerton, Washington.
Proclivities of "Yoko" is set.
We're training and learning - not quite ready yet.
All services are being received from the pier,
Compliments of the folks living around Mt. Rainier.
Various sorts of PKFT, food and District craft are present,
Music has started after a year well spent.
Off to our Post like the Old Ranger,
The "Shipper" is still - to us he's no stranger.
From the crew of the Jawett & all of you here,
We heartily wish you a Happy New Year.
